Distributor ALSO expands further into CEE as it opens a 14th European subsidiary in Slovenia, with a Ljubljana-based office focusing on digital services distributions.

The Ljubljana office will also house the ALSO Cloud Marketplace allowing resellers to package Microsoft cloud technology with solutions from different vendors.

"With more than 125000 seats sold in the Microsoft Cloud Solution Provider (CSP) Program we are one of the major indirect partners for Microsoft in our European markets already today," ALSO says. "In Slovenia, we see enormous growth potential."

Besides Slovenia, ALSO has a presence in Denmark, Germany, Estonia, Finland, France, Latvia, Lithuania, the Netherlands, Norway, Austria, Poland, Sweden and Switzerland.
